PROFESSIONAL SUMMARY

Motivated Information Technology student with a Bachelor's degree in Information Science and current academic focus in IT. Strong foundation in information management, reporting, Microsoft Office, database concepts, basic programming concepts, and cybersecurity principles. Completed university training at Imam Abdulrahman Bin Faisal University Library, gaining practical exposure to information organization, administrative support, and user service. Seeking an entry-level opportunity where I can apply my academic knowledge, develop professional experience, and contribute to a structured and collaborative work environment.

EDUCATION

Saudi Electronic University | Bachelor's Degree in Information Technology | 2021 – Present
